## Comment for Item 9. Delta Conveyance Project Environmental Review

The United Auburn Indian Community respectfully requests that all hearings, meetings and public comment periods related to the Delta Conveyance Project be postponed until the current national COVID-19 health pandemic is over. We hope that the Department of Water Resources is truly committed to meaningful tribal consultation, as well as other public engagements. This postponement is critical. We cannot overstate the impact that such a dramatic change in water conveyance and water supply that project would cause. Such a dramatic project should be undertaken in the best of circumstances, and not be hidden in the midst of a pandemic.
